

Mark's Message

Wow! A new year is here. Where did the last one go? Let's hope that all the snow of December is behind us, but at least we did have a white Christmas.

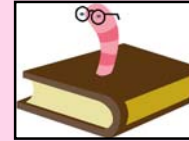

January is always a time of new beginnings. My hope is that we may experience some new things and try some new fun things which may help add to the quality of life at Royal Plaza. If you have any suggestions on what you'd like to do, please come and see me, or put it down on the Activities suggestion sign-up sheet.

Remember outings are always subject to good weather.

I just want to thank Dana for all of her hard work for all of the parties and wonderful food she provided, and every single person who entered Royal Plaza loved all of the decorations.

To my Red Hatters, remember, the big Chase Away the Winter Blues party scheduled on Thursday, January 29, in our dining room. We will have goodies, music and lots of drawings and give-aways.

I really hope 2009 will bring good things to each of us.

From the Library

The Plaza Library is a recreation library. Someone left a set of technical books. We have no use for such items. We are going to give them to the public library which the donor should have done.

There have been white, empty boxes in the library for the library. People have been walking away with them. The librarian buys those. If you want empty boxes, go to the kitchen or go to Staples and buy your own bankers' boxes.

I hope all the residents enjoyed all the parties for December and the food. The joy on your faces makes it worth the effort.

All the best in the new year!!!

Royal Review

January 2009

From the Administrator's Desk

I hope everyone enjoyed the holidays. I spent time with my family in Spokane and almost didn't make it home due to the weather. I really appreciate living in this valley (even though most of you told me it rarely snows here).

I look forward to 2009 and getting to know each of you better. This year we can settle in and take a little time off from the construction mode. One of my goals this year is to get the outside of the facility looking great again. Our housekeepers do such a fantastic job on the inside I don't have to worry about it. We now have Ron in maintenance to assist Kim so we should be able to get to your requests more timely.

I will also be focusing in on dietary. Hopefully we can come up with a service that will meet everyone's needs. I know that is very important to everyone.

Please remember I am always available for any concerns, questions or compliments you may have. If you want to remain anonymous there is also a box at the front desk you can put your comments in.

Best Wishes for a Healthy and Prosperous New Year!
