

Mark's Message

I hope everyone enjoyed all the special activities we had during National Assisted Living Week. Our flu clinic also went very smoothly. The next thing will be absentee voting. Our ladies will be here to help you with your absentee voting if you need help.

Vicki got us our own Wii game and it is hooked up and may be played anytime. I hear through the grapevine that we have a contest going between two residents: who has the highest bowling score. The current high score is held by Craig Fisher at 225 (*way to go, Craig!*), but Edna Hemphill is closing the gap at 211 (*yeah, Edna!*). This game will really enhance our activity program, so thank you, Vicki, for our own Wii. We have it scheduled on the calendar every

Wednesday at 9:30 a.m., so if you'd like to learn how to use it, come to the Activity Room Wednesday at 9:30am.

Our young fiddlers (The Thorncreek Express) will be back in January; they've needed some time off.

Fall is coming and more people are thinking about moving to an assisted living facility. Royal Plaza is the place to live. Tell your friends to come by for a tour and have lunch with us. If they move in you will receive a \$500 bonus!

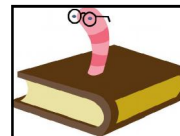

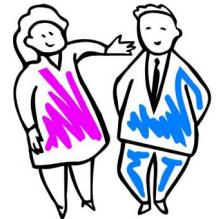

Nicole Cook (Nikki), L.P.N., is my new 40 hour a week assistant; please make sure you welcome her when she starts in a couple of weeks. She comes to us from the Care Side. Her duties include processing doctor's orders and handling day-to-day concerns regarding your healthcare. This will free up my time to do assessments mandated by Idaho State, which must be completed by a Registered Nurse. I want to thank you all for keeping us up to date on your health changes and medications. I personally want to thank Ruth Nash, R.N., for always being there for me and giving 110% to you, our residents. Ruth...you are a gem! Please feel free to come and see me anytime.

Mary Ann, R.N.

Welcome!

From the Library

I am writing again what I have written before. Maybe our readers will pay attention.

Please do not leave books you don't want without asking Doris Critchfield or me if we want them. The one shelf that is empty is for large print books. Someone left us condensed books (a fair number of them). If you have had them at a yard sale, you can't give them away. About newspapers...when you have finished with yours, recycle it; do not leave it in the library. We don't want it. Our desk went to the nurse's office. We are doing our best with the table. We will get things straightened out one day soon.

Royal Review

October 2010

From the Administrator's Desk

September was very eventful with National Assisted Living Week and a full survey. We have not been surveyed in 4 years. We are seeing quite a few changes to be in compliance with the State regulations.

Thanks to all who attended the Resident/Family meeting last week. I will keep all of you informed if anything changes.

The weather will soon be changing and we will start to see all the flowers fade away. We have such a beautiful fall season in our area to be thankful for.

Thanks to all of you who wished me well during my surgeries in August. I am feeling back to normal now.
